Full Circle Trade & Thrift's mission is to provide a locally sustainable funding source for creative, collaborative, and results oriented nonprofits in the Flagstaff community.

Each month, Full Circle chooses nonprofits to partner with and donates all proceeds from the month's sales to those organizations. This October, CCC&Y and the Grand Canyon Trust's Youth Initiative are the chosen recipients of this funding!

We are hosting many great events throughout October, and we need your help to make the most of this fantastic opportunity that Full Circle has provided us.

WHAT YOU CAN DO

SHOP

Come to Full Circle Trade and Thrift during the month of October and shop. They offer high quality, carefully chosen merchandise including clothing, accessories, jewelry, furniture, artwork, antiques, collectibles, and other household items.

DONATE

Drop off your gently used gear, housewares, and other miscellaneous items anytime to the Circle OR at one of the Stuff the Truck Events that we are hosting.

VOLUNTEER
