Re: Notice of Anticipated Date of Initial Startup of Ventilation at the Pinyon Plain Mine

Reference is made to U.S. Environmental Protection Agency ("EPA") Approval to Construct/Modify the Pinyon Plain (formerly Canyon) Underground Uranium Mine, dated September 21, 2015, which states that Energy Fuels Resources (USA) Inc. ("EFRI") is granted approval pursuant to 40 C.F.R.61.08, to construct an underground uranium mine in accordance with the EFRI application.

Please take notice pursuant to Part II.A.(1) of the approval to construct/modify and 40 CFR 61.09(a)(1) that the anticipated date of initial startup of the source is currently anticipated to be between December 3, 2023 and January 2, 2024.

Please feel free to call me if you have any questions or require any further information.

Yours very truly,

A handwritten signature in blue ink that reads 'Kathy Weinel'.
