

# Overlap Grazing Scores

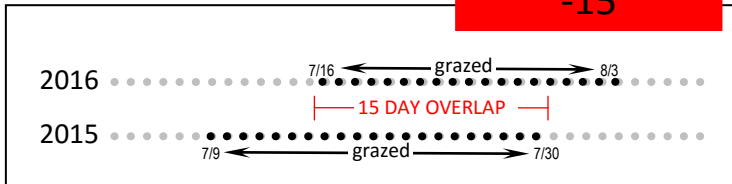

## Manti - La Sal National Forest

← 2007–2016 →

Ferron-Price District

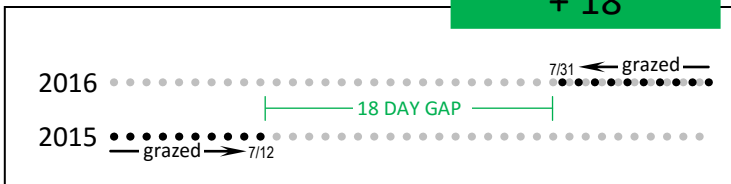

A negative score indicates that the pastures in that allotment were – on average – grazed on the same calendar days as the year before.

Example of a negative score: **-15**

A positive score indicates that the pastures in that allotment were not – on average – grazed on the same calendar days as the year before.

Example of a positive score: **+18**
